**Directions to Officer Making Return on Service of Summons**

A copy of the summons and a copy of the motion must be served on each defendant/respondent. If any defendant/respondent refuses to receive the copy of the summons and motion when offered, the return shall be prepared accordingly so as to show the offer of the officer to deliver the summons and motion and the defendant's/respondent's refusal to receive the same.

Service shall be made: (1) On Individual. On an individual, including an infant or incompetent person not having a legally appointed guardian, by delivering a copy of the summons and motion to the individual personally or by leaving a copy of the summons and motion at the individual's dwelling house or usual place of abode with some person of the family over 15 years of age who permanently resides with the defendant/respondent, or by delivering a copy of the summons and petition to an agent authorized by appointment or required by law to receive service of process; (2) On Guardian. On an infant or incompetent person who has a legally appointed guardian, by delivering a copy of the summons and motion to the guardian personally; (3) On Corporation, Partnership or Other Unincorporated Association. On a corporation, partnership or unincorporated association, by delivering a copy of the summons and motion to an officer, partner, or managing or general agent, or by leaving the copies at any business office of the defendant/respondent with the person having charge thereof or by delivering copies to its registered agent or to any other agent authorized by appointment or required by law to receive service of process; (4) On Public or Quasi-Public Corporation or Body. Upon a public, municipal, governmental or quasi-public corporation or body in the case of a county, to the mayor or city clerk or city attorney in the case of a city, to the chief executive officer in the case of any public, municipal, governmental, or quasi-public corporation or body or to any person otherwise lawfully so designated.

Service may be made by an officer or deputy authorized by law to serve process in civil actions within the state or territory where such service is made.

Service may be made in any state or territory of the United States. If served in a territory, substitute the word "territory" for the word "state."

The officer making the service must swear an affidavit before the clerk, deputy clerk, or judge of the court of which the person is an officer or other person authorized to administer oaths. This affidavit must state the time, place, and manner of service, the official character of the affiant, and the affiant's authority to serve process in civil actions within the state or territory where service is made.

Service must be made less than 10 days nor more than 30 days from the date the defendant/respondent is to appear in court. The return should be made promptly, and in any event so that it will reach the Missouri court within 30 days after service.
